## No more tying shoelaces, better life

With COMFY, you can effortlessly tighten and loosen your shoes. Unlike shoelaces, the dial system is quick and easy, and it can even be done with one hand! It is convenient to replace any shoelaces with COMFY and afterwards you can step into a better life!

It is becoming more common among elementary and middle school students to not be able to tie their shoelaces. Also with the increase in elderly population, the demand for safe and convenient shoes is growing. According to a social media survey, 74% preferred the dial shoe-lacing system for summer outdoor shoes. The market prospects are bright!

Whatever the occasion in daily life, sports, or outdoor, COMFY introduces quick and easy adjusting to fit your shoes comfortably!
